## EGYPTIAN ARMIES BATTLE AXIS REARGUARDS

### Soviet Forces Block Stalingrad and Caucasus Attacks

#### Hitler Rushes New Troops By Plane To Avert Disaster

By ROGER D. GREENE  
Associated Press War Editor

British tanks pursuing the broken Axis armies in Egypt are reported rolling along the Mediterranean coast today thin striking distance of Matruh, 104 miles west of El Alamein, while dispatches from Greece said Adolf Hitler sent a fleet of 500 planes to rush fresh troops across the sea in an attempt to avert utter disaster.

A British communique said the triumphant 8th Army is attacking Axis rearguards well beyond El Daba, 33 miles west of El Alamein.

German field headquarters acknowledged that the battle is raging "in the area of Fuka and Matruh."

Fast-moving British armored forces were said to have advanced at least 60 miles since breaking through the enemy's defenses on the El Alamein front, 80 miles west of Alexandria.

Frontline dispatches indicated that the struggle was rapidly degenerating into a race across the desert, with the British in hot pursuit of the beaten Axis columns.

ard - Pressed American forces stab at bolstered Japs on Guadalcanal's Broadening Front

#### FORCE STRENGTHENED

By JOHN H. WIGGINS  
Washington, Nov. 6.—(P)—The U. S. Marine Corps today reported that it had pierced deeper into the island of Guadalcanal, where the Japanese had been attacking the American-held airbase, marines successfully attacked their positions, the navy reported today, slaying 350 Japanese and capturing 12 37mm. light anti-aircraft guns, three field pieces and machine guns.

#### CAPED GERMAN ARMY CAPTURED IN A BARN

Following, Green, Ky., Nov. 6.—(P)—Police Chief R. E. Monahan reported today that three Germans had escaped from army guards and a train late Wednesday and were arrested in a barn about six miles from here.

He said the men gave their names as Hans Richard Jonat, 27, Luft, 19, and Paul Theodore Greard, 38, Jonat and Luft they had been members of a German merchant marine and Greard said he was merely a man citizen who had been arrested as an enemy alien.

Chief Monahan said two of the men had knives but they were unarmed otherwise and offered no resistance when Sheriff Boyd and two deputies awakened them in a barn where they had taken refuge.

#### WAR BULLETINS

Chungking, Nov. 6.—(P)—Fighting has broken out in the vicinity of Hsueh province port on the middle Yangtze river, where Japanese intercepted Japanese trying to attack their positions, the high command reported today.

London, Nov. 6.—(P)—Vichy forces opposing the British in south-Madagascar asked for an armistice and hostilities ceased at 2 p. m. (Madagascar time) yesterday, an authoritative source announced today.

New York, Nov. 6.—(P)—German propaganda, reciting for the successive day reports of a great concentration of Allied forces in the Baltic, sought today to show that Spain is worried.

London, Nov. 6.—(P)—With Rommel's armies fleeing westward in the face of a threat of annihilation by the British Eighth Army, the showed signs today of a wary watch for new Allied ventures which might imperil its position elsewhere in Africa and on the Mediterranean.

Washington, Nov. 6.—(P)—The board of war communications ordered telegraph companies to refuse solicitations and congratulatory messages and to discontinue all non-telegraphic services beginning December 15 in a series of steps to gear the domestic telegraphic industry more closely to the war effort.

#### Private Saves Buddy But Loses \$500,000

Philadelphia, Nov. 6.—(P)—The U. S. S. Yorktown was sinking fast and 22-year-old Marine Private Peter Schultz was going over the side with \$500,000 in government cash, trusted to him by a fellow survivor.

He looked back and saw four buddies trapped in the wreckage, unable to save themselves. He had to decide whether to save the cash or his shipmates.

"I didn't have time to think or feel," he said, relating the experience last night in a broadcast over Station WCAU at the site of Tun Tavern, birthplace of the Marine Corps.

"I dropped the cash overboard and saved the sailors."

#### Bipartisan Coalition Is Developing

Movement to Proclaim Holiday on Politics to Aid War Effort Started

#### LEADERS RESPONSIVE

Washington, Nov. 6.—(P)—A movement developed on Capitol Hill today for a Republican-Democratic "victory coalition" to proclaim a holiday on politics and drive toward the one common aim of winning the war.

The alliance would throw the power of both parties behind President Roosevelt for the most effective prosecution of war, but the Republicans coupled their pledge of support with demands for an end to "new deal politics and experiments."

"We are willing to forget the election if the administration will remember the implications it contained," said Senator McNary of Oregon, the Republican leader.

Another leading Republican, Senator Vandenberg of Michigan, proposed the coalition, saying congress should create a "unified committee on war cooperation."

But while unity in the war effort appeared to be generally applauded, political observers watched for a possibility that house Republicans and conservative Democrats might develop a joint drive not only to halt "new dealism" but to erase some of its established works.

#### DEPARTMENT STORE IS CLOSED BY WALKOUT

Pittsburgh, Nov. 6.—(P)—AFL strike by members of three AFL unions today closed Gimbel's department store, one of Pittsburgh's largest, as strikers by two of the three unions hampered operations at Kaufmann's and Frank and Seder department stores.

Gimbels closed after the AFL Retail Clerk Protective Association and the AFL Hotel and Restaurant Employees Alliance joined in a two-day-old strike of building service employees. Karl Kaufmann, Gimbel's store manager, said: "We have no sales people."

#### "E" Awarded Sylvania Plant

Emporium, Nov. 6.—(P)—Lieut. Gen. Joseph T. McNarney, presenting the Army-Navy Production Award to the Sylvania Electric Products Co., declared that less than one per cent of the country's major war plants "have been able to translate good intentions into a performance record meriting the award."

McNarney, the army's deputy chief of staff, told several thousand Sylvania employees and Emporium townspeople at ceremonies yesterday that "there can be no higher form of efficiency than the voluntary cooperation of a free people."

Rear Admiral C. W. Fisher, navy director of shore establishments, praised the community for its part in putting the Sylvania plant back into quick production after flash floods damaged the plant last July.

McNarney presented the Army-Navy "E" award to B. G. Erskine, president of the Sylvania Electric Products whom he described as "a head of an industrial army composed 80 per cent of women."

#### REVOLUTION ANNIVERSARY CELEBRATED

Premier Declares Second Front Would Have Prevented German Break-Through Last Summer

#### NATION STILL STRONG

By the Associated Press  
Moscow, Nov. 6.—Joseph Stalin gravely told Russia's allies tonight that failure to open a second front would result in catastrophe for them and at the same time assured his people that there would be such an Allied offensive "sooner or later."

He said that because of the lack of a second front the Germans had been able to break through the Russian lines last summer for their 300-mile eastward and southeastward drives which have carried them to the banks of the Volga, into Stalingrad, and deep into the Caucasus.

"I think no other army or country could stand up to such an onslaught," he said, answering the question, "will there be a second front?" he said.

"Yes, there will be one sooner or later because it is no less essential for our Allies than us." Still, however, the Soviet premier told a special meeting of the Moscow Soviet—convened to celebrate the 25th anniversary of the Bolshevik revolution—that never before had Russia been as strong and well-organized on the home front.

The break-through in the west, he said, came after the Red army had routed the Germans on the approaches to Moscow last winter, attacks and seized the offensive.

Returning a second time to mention of the second front, Stalin said that the Germans had been able to concentrate on one sector and take the initiative "because the absence of a second front in Europe enabled them to do it without risk to themselves."

Stalin asserted that the Russians recently had won possession of a German document showing that the Nazi plan—nowhere rementioned—was to "take the home front."

#### President Is Heartened By Allied Drive

Washington, Nov. 6.—(P)—President Roosevelt analyzed the Allied campaign in Africa today as having the appearance of a victory of major proportions.

He told a press conference he thought all of us, and all the United Nations, had been pretty much heartened by what looks to be a victory of major proportions in the Egyptian-Libyan area.

Things seemed to be going extremely well, he said, adding that there was not much news which had not appeared in the communications.

Replying to a question, Mr. Roosevelt said that only a small part of the equipment used in the assault against General Erwin Rommel's forces was of American origin.

Probably far less than half of the equipment came from the United States, he said, and this equipment, he went on, has been instrumental in the advance only to a minor degree.

He said, responding to another inquiry, that our operations on Guadalcanal Island in the south Pacific could not be regarded as of major proportions.

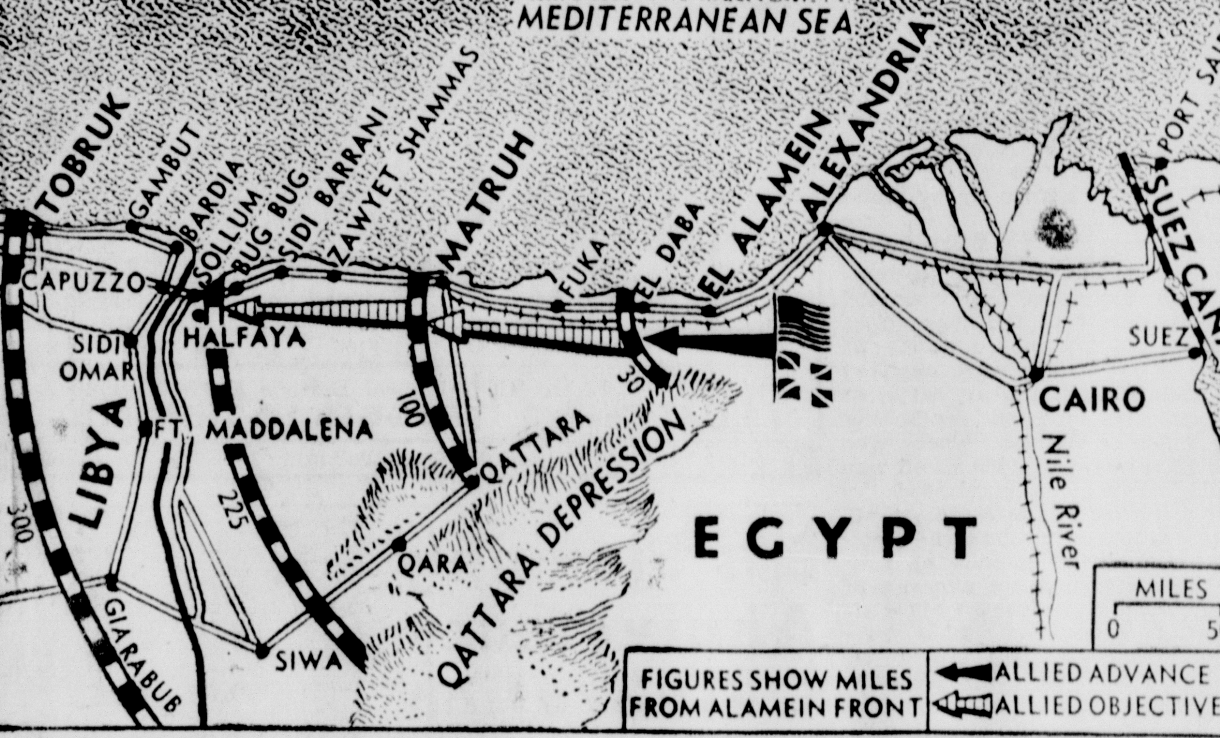

#### Martin Planning For A Short Session Of The Legislature

Harrisburg, Nov. 6.—(P)—Governor-elect Martin today declared that his program to the 1943 session of the legislature will be prepared before the assembly convenes in January "so we can have a short session."

"Everything is centered on the war," said the adjutant general, a retired army major general, at his first press conference since his election on Tuesday.

Martin said there had been no discussions concerning legislative organizations and selection of his cabinet and that he did not expect to consider those matters "for a little time yet."

#### Allies Start Chasing Axis Out of Egypt

Allied forces are chasing the axis out of Egypt, according to jubilant bulletins from the El Alamein front. Map shows how allied forces, having broken through east of El Daba, may press on down the coastal road to take Matruh and Sidi Barrani and return the fight to Libya.

Mother and Five Little Tots Lose Lives in After-noon Blaze

#### FATHER IN TITUSVILLE

Pleasantville, Nov. 6.—(P)—A 28-year-old mother and five children burned to death in their farm home near this Venango county community yesterday, only 20 miles from the spot where six members of a family died in a similar blaze Tuesday.

Cornor P. E. Cunningham said the victims were Mrs. Fred Wright, and children, Sally Lou, 5, Elaine Joyce, 4, Bruce, 3, Thomas, 2, and Richard, 3 1/2 months.

"The fire was spotted by Mrs. Handy in a fire tower about five miles away," Cunningham said.

Mrs. Handy notified Pleasantville firemen and when they reached the scene the 1 1/2 story home was in ruins.

Cunningham said three other members of the family, Mr. Wright and two other children, Barbara Jean, 8 and John Harvey, were away from home. The father was at work in a Titusville war plant and the two children were en route home from school.

Wright collapsed when taken to the scene. He later told Cunningham he had left for Titusville about two hours before the fire.

"We probably never will know the cause of the tragedy," Cunningham said. "However, I believe it may have started from kerosene being poured on a coal stove. Mrs. Wright's body was found near the stove."

#### SEPARATE ARMY FOR JEWS IS SUGGESTED

Baltimore, Nov. 6.—(P)—Calling upon Jews and non-Jews supporting pleas for a special Jewish army to desert, Arthur Hays Sulzberger, president and publisher of the New York Times, said last night that these pro-Zionist efforts "merely add to the difficulties of the United Nations."

Sulzberger cited demands for a separate Jewish army and post war establishment of a Jewish national state in the Holy Land as matters which "create problems in the Moslem world" in his address before the brotherhood of the Madison Avenue temple.

Motorists Urged to Study Blanks Carefully Before Registering

#### SITES IN THE COUNTY

Thousands of motorists in the community will welcome today's first official announcement by the Warren County War Rationing Board concerning registration on November 12, 13 and 14 in preparation for nationwide gasoline rationing, effective November 22.

#### P. U. C. Scored By Buchanan

Harrisburg, Nov. 6.—(P)—Commissioner Thomas C. Buchanan today called upon the Republican majority of the Public Utility Commission to put the rate order of the People's Gas Company of Pittsburgh "in black and white" and "quit making speeches."

Buchanan, a Democrat, made the statement after Chairman John Siggins, Jr., said no action would be taken on the order for two weeks and that the proposed order as it now stands, lists "excessive and unreasonable" company revenue of more than \$2,000,000 for 1939 and 1941.

"There is an increase in this order over the rates of 1937, 1938 and 1939," Buchanan said, adding that the commission started its original rate case against the Pittsburgh utility in 1937 with the intention of reducing rates.

The Democratic commissioner asserted that the commission in 1938 "was one of the most progressive and today it is bouncing off the cellar."

Reds Maintain Active Operations on Black Sea Front and Repulse Numerous Enemy Attacks

#### LOSSES INCREASING

By EDDY GILMORE  
Moscow, Nov. 6.—(P)—The Russians said today counterattacking garrison troops had improved their positions somewhat in a Stalingrad factory area while the Red army maintained active operations on the Black Sea front and slew 1,000 invaders in the battle for the central Caucasus.

Two companies of tank-supported Nazi infantrymen were declared smashed as Russian forces struck across a debris-littered expanse of north Stalingrad after repulsing enemy attacks.

Russian artillerymen destroyed eight German tanks by point blank fire and Soviet fliers struck heavily at German troops positions the noon communique said.

Bombs and gunfire of the Russian aircraft were reported to have destroyed 13 enemy batteries and 28 machine-gun positions within 24 hours.

Three more batteries were silenced and 19 German dugouts and blockhouses were wrecked by Soviet shells on the steppes northwest of Stalingrad, it was announced. "The Moscow radio reported that the defenders of the city, in a letter expressing determination to fight to the last heart beat, said that 'we are sure the time is not far off when we shall hear of the opening of a second front.'"

The letter was addressed to Premier Stalin. Delivered on the eve of the 25th anniversary of the Bolshevik revolution, it expressed confidence that the troops would deal a crushing blow to the enemy from Stalingrad.

Savagery of the conflict southeast of Nalchik, where the Russians are fighting to hold the routes leading to the Grozny oil fields and the strategic valley between the Caucasian mountain chains, was illustrated by an account from the Soviet information bureau.

Progress was reported in the Russian counterdrive from Tuapse (Turn to Page Thirteen)

#### NAMED COMMISSIONER

Harrisburg, Nov. 6.—(P)—Ralph H. Alexander, of Pittsburgh, is Pennsylvania's new insurance commissioner at \$10,000 a year. He was elevated from acting commissioner yesterday by Governor James to succeed the late Matthew H. Taggart.

#### Hurricane Is Off Florida

Miami, Fla., Nov. 6.—(P)—A violent storm, probably including winds of hurricane force, roared through the West Indies early today and headed toward the Florida coast in the vicinity of Miami.

With approval of the navy, the weather bureau broke its usual war-time silence to order storm warnings hoisted early today along the lower Florida east coast from Melbourne to Key West, at the extreme southern end of the state.

At that time, the weather bureau said, the storm was in the vicinity of Clarence town on the Bahamian key of Long Island, and was traveling at the rate of 15 to 18 miles an hour. Gale force winds were known and hurricane winds were suspected to be near the center.

#### Three House Seats and One In Senate Are Still In Doubt

By the Associated Press

The Democrats counted 16 senators and 220 representatives today as elected by Tuesday's elections for the 78th congress, to convene in January, while the Republicans had 208 house members and 18 senators. Contests for three house seats were undecided.

The 16th Democratic senator elected was incumbent James E. Murray, of Montana, who narrowly defeated Wellington D. Rankin, Republican.

Minor parties winning house seats were the Progressives, taking two places, a loss of one, and American-Labor and Farm-Labor taking one each.

The Democrats had 41 hold-over

senators, to give them a majority in that chamber with 56 votes, to a total of 38 for the Republicans, who had 20 holdovers. There is one Progressive in the senate hold-overs. He will be the only minor party senator after January 1.

The undecided Montana senate race was between Democrat James E. Murray, the incumbent, and Wellington D. Rankin, Republican. Murray claimed victory with 53,792 votes in 1,154 of the 1,185 precincts, while Rankin had 82,151.

In addition, one gubernatorial race was in doubt, the ballots in Idaho having been sealed for an

#### CLASS SWITCHED

The first aid class supervised by Mrs. R. C. Thompson will be changed from the YMCA to the residence building of the YWCA for the remainder of its sessions, starting at 7:30 p. m. Monday, according to announcement made today. Entrance to this building is from Market street.

#### NOW IN EFFECT

Interchange of tickets on all bus lines entering Warren is now in full effect in accord with the recent order of National Transportation Director Eastman. Persons purchasing West Ridge bus tickets may now use them on the Greyhound bus between points in this section.

#### FILED EXPENSE ACCOUNT

Leon Gavin, Republican candidate for Congress from this district who was highly successful at the polls Tuesday has filed his expense account. He reports contributions to his campaign fund of \$1,665 and expenditures of \$1,115.50. Candidates have 30 days in which to file expenditures after the election.

#### NATIONAL EDUCATION WEEK

Warren schools, in line with those throughout the nation, will observe American National Education Week next week. The observance will start in the borough schools on Monday. In many of the rooms of the school there will be programs arranged and an effort will be made to have all parents visit the schools. Parents and friends will be welcomed in all schools throughout the week.

#### ENJOYABLE HIKE PLANNED

With favorable weather in sight the Allegheny Hiking Club plans for next Sunday the trip which was postponed from the previous week, with a hike over the hills beyond Scandia where some excellent views of the river valley can be obtained. Because of the shorter days the group will meet at 2:00 o'clock at General Joseph Warren Park, and all those who can provide cars for driving to the starting point, and also those who plan to attend, are asked to telephone 1024-R or 548 on Saturday afternoon or evening, or at least by noon on Sunday.

#### ARMISTICE MUSIC

In keeping with the theme of Armistice Day, the choir of Trinity Memorial church will sing the anthem "Onward Ye Peoples" by Jan Sibelius, arranged by Channing Lefebvre, for the eleven o'clock service on Sunday morning. The soul-stirring words by Marshall Kernochaw, containing the refrain "Salem, Salem," meaning Peace, Peace, have been set by the celebrated composer to music of great beauty and are sung with breadth and fervor. The service will also include intercessions for those in service, especially those who have gone out from the parish.

### PAINFUL BURNS RELIEVED

"I feel that no amount of praise can describe the benefits derived from San-Cura Ointment in painful burns suffered by my sister," Mrs. Eessie Ellis, 81 Passaic Ave., Hawthorne, N. J.

San-Cura Ointment lessens the pain, helps healing of minor burns, cuts and scratches. At all drug-gists. (adv.)

Written for the Times-Mirror. It has been said that in Germany and Japan they have but one club—"all for Hitler or all for Hirohito." Mr. Hitler has demonstrated a new something we have long known but have sometimes glossed over and neglected. That is, we can have the kind of people and nation we want by directing the training of our youth to bring about desired results.

For 28 years our nation and state have been supporting 4-H Club work as a part of the Extension Program in Agriculture and Home Economics in Pennsylvania. 4-H Clubs constitute a democratic and typically American type of youth organization. No youngster has to join it—none has to stay in it after he has joined. Members enroll because they wish to—they continue in it because they find something in the program that is helpful, educational, inspiring or economically profitable.

November 7-14, 4-H Club members will make their report to the nation. The observance will direct special attention to the contributions made by 1,500,000 4-H boys and girls during 1942 in helping to win the war. Tribute will be paid to those who have made outstanding achievements. In a sense the observance will be a rally to honor the heroes on the home front.

In Pennsylvania there were about 10,410 home economics club members demonstrated special interest in the war effort of their country in a number of ways: Food habits were checked and improved this year, 60% of the members reported purchasing war bonds or stamps. There was a total value of \$71,869.85 of war bonds and stamps purchased by club members in the state. 5,345 members helped with salvage collections. 606,217 pounds of rubber were collected, an average of 73 pounds per member. 1,441 girls reported remodeling 3,573 garments for themselves and other members of their families this summer. 6,087 girls assisted with the care of the family garden with 463 taking the entire care of the garden. 4,267 members assisted with the family canning. 1,244 members canned 30,336 jars individually. Many club members aided welfare organizations by knitting 1,175 articles, sewing 1,258 articles and taking a first aid course where these were available. 143 clubs in this state participated in Civilian Defense activities.

The greatest service that club members could render was to carry their share of the duties in their homes and communities. Many of these young people assumed responsibility for familiar home tasks thus relieving others for other duties.

Warren county girls had a splendid record this summer in the services they performed. Parents and friends of these young people should be proud of their achievements and give them every encouragement for their future club work.

## Elks Planning Anniversary Celebration

Plans have been completed by officers of the Warren Lodge of Elks for the celebration of the fiftieth anniversary of the instituting of the lodge with an appropriate program Sunday afternoon and evening.

The program will open with a meeting in the lodge rooms at two o'clock, at which time tribute will be paid members in the service and presentations of life memberships will be made to five members—A. L. Schellhammer, H. W. Baker, George E. Colvin, A. A. Printz and W. V. Geer.

Another feature of the afternoon program will be a history of the lodge to be given by P. E. Nelson.

A six o'clock there will be a banquet in the lodge room with reservations made for about three hundred. The dinner will be followed by a short floor show and the eleven o'clock toast. The program will close with a social hour and buffet lunch.

The lodge was instituted March 30, 1892, and organized June 15 of the same year. When first started it met in what was known as the Knights of Pythias hall and the charter contained the names of 26 members. Later meetings were held in the Crandall building in Hickory street, and in 1910 the present home at the corner of Hickory street and Fourth avenue was completed and occupied.

The charter members were A. C. McAlpin, D. D. Reed, Wm. A. Greaves, G. S. Davis, W. S. Pierce, C. H. Smith, J. A. Best, B. G. Gregory, R. W. Stuart, J. L. Cousins, F. W. Bell, F. E. Reed, H. C. **GABLE, TURNER TOGETHER AGAIN IN TIMELY DIAMA OF LOVE AND ADVENTURE**

Clark Gable and Lana Turner co-star again in "Somewhere I'll Find You," the new Metro-Goldwyn-Mayer drama of war correspondents in the Far East, which opens at the Library Theatre Sunday, Monday and Tuesday. Their first co-starring film was "Honky Tonk."

Gable and Robert Sterling, as brothers, and newspapermen, are both in love with Miss Turner, also a correspondent on duty in Indo-China. The rivalry is rudely interrupted by the bombing of Pearl Harbor, which throws them into the maelstrom as something more than neutral observers.

The supporting cast is excellent, including Patricia Dane, as a beautiful adventuress in the Far East, Reginald Owen and Lee Patrick, as denizens of Greenwich Village in New York. Tamara Shawne, Charles Dingle, Leonid Kinskey, Diana Lewis and Sara Haden.

# First Meeting Of Intensive Community Chest Drive To Be Held Monday Evening, Nov. 16

The following week will be a busy one for the men who are handling the unit accounts, of which there are about two hundred, in the "Extension" campaign of the Warren Community Chest. The returns are already in from some of the larger industries and none have failed to reach the goal of fifty percent of that secured in the spring campaign. The chain stores and national firms units are being handled by Leonard G. Swanson and his committee, and at a meeting held yesterday afternoon the five teams of Division B under the chairmanship of E. H. Ley received their unit envelopes and will begin their work today. The Public Employees Division, of which Holger N. Elmquist is chairman, will be under way by Monday. In this Division are included the federal, state, county and borough employees and the public schools. Superintendent John G. Rossman has again assumed responsibility for the latter.

On Monday evening, November 16th, at 8 o'clock, the opening meeting of the intensive portion of the drive will be held at the Y. W. C. A. This will be a "dinner-less" meeting as will the report meetings on Wednesday, Thursday and Friday evenings of that week. The Women's Division will receive its supplies and materials at the Monday evening meeting. To add zest to the meeting the various Men's Divisions will report results secured up to that time.

That there may be a clearer understanding on the part of the public of the why and wherefore of the present campaign, a statement was issued by General Chairman Harry D. Kopf to the effect that it was decided by the board of directors of the Chest to hold the annual chest campaign in the future in October instead of April in line with more than 90% of similar campaigns throughout the country. The American Red Cross gave right of way this fall to community and war chest campaigns by postponing its annual roll call to the spring of the year at which time it will be combined with a nation wide financial campaign. Were the Warren Community Chest to put on its annual campaign next year in April it would conflict with the Red Cross Campaign.

In order that the Visiting Nurse Association, the Warren Relief Association, the Salvation Army, the

## TIMES TOPICS

**MEET THIS AFTERNOON**  
The regular meeting of the Council of Defense is to be held this afternoon at 4 o'clock.

**RELIEF MEETING**  
Directors of the Warren Relief Association will hold their regular meeting at the YWCA activities building at 11 a. m. on Monday.

**FRACTURES ANKLE**  
Mrs. Ethel Engstrom, of Youngsville, fell down some steps and fractured her right ankle. She was discharged from the hospital after treatment.

**STAFF APPRECIATIVE**  
Members of the Warren control center staff called out for practice session last night were most appreciative of the lunch provided by the Veterans of Foreign Wars at the close of the rehearsal.

**DISTRICT MEETING**  
The Fourth District meeting of Pennsylvania VFW and Auxiliary will be held in the Oil City Armory at 2 p. m. Sunday and it is expected that both local units will be represented.

**HOLIDAY ARMISTICE DAY**  
There will be no school all day on Armistice Day in the borough and due to the gasoline rationing registration in several of the school buildings next week schools will dismiss at 3:15 on those days.

**FREAK EAR OF CORN**  
H. C. Sipple, of Russell, brought to the Times-Mirror a freak ear of corn which he discovered in a field on his farm. It is eight ears in one, seven perfectly formed ears having grown around the original one.

**BROTHERHOOD MEET**  
Rev. Findley, of Falconer, N. Y., is announced as guest speaker for the meeting of Akeley and Russell Brotherhoods to be held at the Akeley church Tuesday evening, with supper at 6:45. Men of both communities are cordially invited.

**NUMERALS CHANGING**  
Changed within the past few days, the large service flag which flies over the entrance to the Bell Telephone Company building in Pennsylvania avenue, west, now bears the numerals 794 and will be changed again very soon. This number, representing the whole state, includes 30 men in service from the Warren district.

**RELIEF SHOWS DECREASE**  
Reports show that relief payments in Warren county for the week ending Thursday showed a decrease of \$2 over the previous week. Payments for the week totaled \$105 which was \$61 lower than for the corresponding week last year. There were 32 fewer checks than for the same period in 1941.

**BLANKS BEING FILLED**  
Shops and all places where persons are employed are busy having the blanks for the transportation survey filled out by the employees. When the survey is completed a splendid picture of the transportation situation in this county will be afforded. Every employed person is expected to fill out and file a blank.

**LOST VALUABLE CAMERA**  
Fire Chief D. G. Kropf who joined the ranks of the camera snappers some time ago had the misfortune to lose a valuable camera and other articles out of his automobile while in Niagara Falls last week. His car was broken into and thieves carried away a number of valuable things that had been left in the machine. Niagara Falls police had no clues to their thieves.

**ATTEND GRADUATION**  
Rev. and Mrs. Carl Perrin, of Sugar Grove, left yesterday for Columbus, Miss., where on Tuesday they will attend the graduation of their son, Cadet Stuart Perrin, and see him receive his wings. The same day, they will be guests at the wedding of their son and Miss Romaine Erickson, daughter of Mr. and Mrs. B. R. Erickson, Franklin street, this city.

**SECTION PRESIDENT**  
Word just received from Syracuse University is that Lawrence E. Beyer, son of Mr. and Mrs. Clair Beyer, 104 Home street, has been chosen president of Section 3 in Sims Hall, a freshman men's dormitory on the campus. Beyer is a freshman in the College of Fine Arts, preparing to major in architecture. He was graduated from the local high school this spring.

**UNCLE DIES IN WEST**  
H. M. Porter, 3 West street, has received word of the death of his uncle, Ray M. Porter, at Independence, Kansas, after an illness of about a year. Mr. Porter was born in Meadville August 13, 1885. He resided in Bradford a number of years before moving to this city where he was employed by the street railway company as chief engineer. Later he was transferred to Independence where he held a similar position for about 25 years. He is survived by his wife, three daughters, one son and three sisters.

**PLOWS IN READINESS**  
Like soldiers awaiting a call to arms snow plows are ranged row on row at the Highway Headquarters west of the city. Employees are waiting a heavy snow to swing into action keeping the roads clear. The Highway Department this year will concentrate on keeping the main highways open due to the transportation of war material by trucks and the fact that thousands of defense workers must reach their places of employment. In all 19,924 miles of road are on the program to be kept free from snow. After the main highways are cleared and as equipment becomes available the secondary roads will be given attention.

## AMERICAN EDUCATION WEEK

"The American motorist will have a special interest in American Education Week this year," says Sherwood D. Shankland, executive secretary of the American Association of School Administrators, calling attention of members of his organization to the fact that the Office of Price Administration has set the dates for the new gasoline rationing during American Education Week, the twenty-second anniversary of which will be celebrated in approximately 4,000 communities, many of which are located in the 31 states which will undergo their first gasoline rationing November 12, 13 and 14. American Education Week, set each year in the week which includes Armistice Day, will be observed November 8-14.

"American Education Week has always stressed the duties of citizenship," says Secretary Shankland. "The teachers will be ready to serve their country in this emergency as enthusiastically as they have in the past upon similar occasions. To rationing and selective service registrations teachers and other school workers have already devoted some 38 million hours without added compensation."

Although an average of approximately 10,000,000 adult citizens visit the schools each year during American Education Week, the gasoline rationing will bring many visitors to the schools who would not otherwise come on this occasion.

American Education Week programs are this year placing emphasis upon the role of education in the war. In addition to training war workers in many communities on an around-the-clock schedule, school children last year sold more than \$80,000,000 worth of war bonds and stamps, sponsored and cultivated 169,000 acres of victory gardens, and produced 300,000 model airplanes for the armed forces. They were also participants in the salvage campaigns during which they collected 150,000 tons of waste paper alone. American Junior Red Cross members in the schools total more than 14 million. Participation in all of these projects is being intensified in the school year 1942-43.

## CONGRATULATIONS, ELKS!

It is with genuine pleasure that we join with the rest of the community in felicitating the officers and members of Warren Lodge No. 223, B. P. O. Elks on the occasion of the celebration of the fiftieth anniversary of the institution of the organization, which will take place in the commodious club house in Hickory street Sunday afternoon and evening.

The Elk lodge, which has been one of the most active fraternal organizations in Warren for a half century, was instituted in the Knights of Pythias hall in the former Citizens National Bank building in March, 1892, but it was not organized until June 15th, of that year. There were twenty-eight charter members, and the roster of the first officers reads like a roll-call of pioneer residents of the town. They were: Exalted ruler, A. C. McAlpine; leading knight, W. A. Greaves; loyal knight, George S. Davis; lecturing knight, Dr. W. S. Peirce; secretary, J. A. Schofield; treasurer, E. C. Knapp; equaire, B. F. Noyes; tiler, F. E. Reed; chaplain, R. W. Stuart; inner guard, L. F. Valentine; directors, D. D. Reed, H. P. Hunter, B. G. Gregory and J. A. Best.

The lodge later occupied quarters in the Crandall building and in 1910 it moved into the present spacious home at the corner of Fourth avenue and Hickory street. Ten years ago over 300 members attended the fortieth anniversary, and the committee in charge this year anticipates at least that many will be present Sunday.

On Monday each school child will be given a pamphlet containing complete information regarding the plans for making application for gasoline rationing cards which they are to take home. Parents, if owners of a car or truck, are advised to read the folder carefully before registering later in the week.

Another Selective service contingent is scheduled to leave Monday for an induction center. Don't forget you are invited to join the relatives and friends in giving them a sendoff. So long, Soldiers, and the best of luck.

A mother and five tots burned to death in a fire that destroyed their home near Pleasantville Thursday afternoon. This is a lesson for every reader to double precautions to prevent such tragedies.

At last it has been discovered that Rommel can advance backwards almost as fast as he can drive forward.

Walk to church Sunday and save gas and tires!

## Salute to American Education Week

## Washington In Wartime

(Second of two articles on the teen-age draft)

By JACK STINNETT

WASHINGTON—The 18-19 draft (capital observers are unanimous in the opinion that it will be passed in one form or another) is probably going to have more effect on U. S. manpower and domestic life than any legislation since the first Selective Service law became operative.

Out of the more than 2,000,000 teen-age youths who will become subject to military training under the law, there are, it is estimated, a half million now in war industries. Because these lads are young and lack years of experience and training, it will be difficult to exempt them under the "necessary man" clause.

The effect it will have on universities and colleges is something that educators here shudder to think about and refuse to be quoted on. There is a rumor that several of the nation's universities are planning to "fold up" before the spring semester opens. That may not be necessary. The delay in getting the 18-19 draft bill to the President's desk may result in the bulk of the teen-agers not being called before next summer. But even that would leave institutions of higher learning stripped of many students for the 1943-44 term. The alternative to closing would be converting to War or Navy Department training centers.

## Man About Manhattan

By GEORGE TUCKER

NEW YORK—When I was considerably younger I used to delight in a Saturday afternoon's Wild West bill of fare at the neighborhood movie house. The chief attraction was the dancing Eddie Polo who shot so many bad men that the sound effects man couldn't keep up with him. (The sound effects man in those days sat in the first row, and every time there was gunfire on the screen, he slapped a leather chair seat with a slat.)

In my more mature years I have been mildly curious over the declining marksmanship of screen heroes, but now I know the answer. The rates for being killed have gone up from something like \$10 a day to \$35. And when you're making western pictures on a small budget, podner, you only kill off the snakes-in-the-grass that need killin' bad.

I've just learned that, and a few other things about westerns, from Roy Rogers, one of the top screen cowboys of the era, and the name attraction of the recent rodeo in Madison Square Garden. Among them that most of the best cowboys come from New York state, that a horse can be horsebroken, and that fake fights screen better than real ones.

ROY works for Republic, which figures that when Judy Canova kicks the hero in the pants it's funnier than anything William Powell says to Myrna Loy.

## Baptist Missionary Unit Has Meeting

The Women's Missionary Society of the First Baptist church held its November meeting Tuesday afternoon with the Misses Snyder, Pennsylvania avenue, west. Dr. James A. Davidson, pastor of the church, reviewed the book "It Began in Burma" by Randolph Howard. The resume of the seven chapters of this, the foreign mission study book for this year, was made so interesting as to challenge its further and more minute study by the individual members who heard Dr. Davidson's presentation.

Current news topics of Burma were given, followed by the business session conducted by the president, Mrs. Wayne H. Branch. The fine work of the American Bible Society in distributing millions of copies of the Scriptures to men in service all over the world was commended by the president, and a generous contribution was voted by the society to further this work.

Honorary and associate members were remembered and active members asked to contact them by letter. The program outline for the year was presented, with assignment of hostess committees and program features. Co-operation with the Ladies' Aid Society in a birthday calendar was voted upon favorably.

An initial contribution of \$5 from the society to the World Emergency Fund of the Northern Baptist Convention was made possible by the return of that amount voted the president for house party expense. Northern Baptists gave last year \$602,000 as an over-and-above gift for world relief, and the goal this year, to culminate on December 6 in a "Sunday of Sacrifice," is \$600,000.

An innovation with regard to meeting plan was approved. Hereafter members will gather at 1:30 for a social hour, with the hostess serving dessert, the program features to follow and conclude with the business session. The White Cross committee will have charge of the December meeting.

Tea was served by the Misses Snyder assisted by members of the program committee: Mrs. William Muthert, Mrs. Edwin Jack, Mrs. J. J. Mitchell, Mrs. E. H. Donovan and Mrs. Branch.

## ELVIDGE CLASS

Elvidge Class members of First Presbyterian church will be entertained Monday evening by Mrs. Thomas Perkins, 1202 Pennsylvania avenue, west.

## New Officers Are Elected By Kiwanians

Dr. Thomas E. Colley, vice president of Kiwanis Club in the past season and active in all its affairs, was chosen president of the group when officers were elected at the Wednesday luncheon-meeting at the Carver Hotel.

Others nominated and announced by James L. Blomquist and his committee were elected as follows: First vice president, H. W. Ledebur; second vice president, C. W. Peterson; treasurer, Dr. R. L. Young; C. L. Guignon, C. S. Burnett and F. A. Wood are chosen directors for three-year terms.

H. D. Baker, currently president, and Carl W. Peterson, a director, were chosen to represent the club on the new Warren Civil Council.

Fire Chief Douglas Kropf, club member, spoke on how rationing of gasoline would react on fires and explosions in Warren. He gave an expert and apt demonstration of the possibility of exploding gasoline vapors causing fires, using some novel machines and apparatus of his own manufacture.

President Baker announced the 20th anniversary committee, consisting of Chairman Earl Flohr, Peter Nelson, Dr. R. L. Young, M. G. Keller and Cecil Winans, had set November 19 as the date of the celebration. An informal turkey dinner will be served at the hotel and the ladies of members are to be invited. Further details will be announced next week.

Dr. Wybren Hiemstra, radiologist at the Warren General Hospital, was announced as guest speaker for next week's meeting.

Sergeants appointed by the president for November were Major Walter Daniels, chief; Rev. Harold Knappenberg and Dr. J. A. Davidson.

## 2,515,524 Households In The State Census Bureau Says

Washington, Nov. 6.—(1)—The census bureau reported there were 2,515,524 households in Pennsylvania in 1940, approximately half of which were occupied by families of more than three persons.

There were more two and three person households in the state than any other size. The two-person homes numbered 558,043, while three-person dwellings numbered 559,578. One-person households accounted for 6.5 percent of the total, or 160,227.

The number of households occupied by larger families decreased proportionately as the groups increased in size. The range was from 472,614 households occupied by four-person groups to 20,874 homes of 11 persons or more.

The average household contained 3.46 persons. The median for homes occupied by white persons was 3.47 and for those occupied by non-whites, 3.29 persons.

Households of home owners were somewhat larger than those of tenants, the median for home owners being 3.55 persons, and for tenants, 3.40 persons. Small households of one, two or three persons were reported for 52.3 percent of the owner-occupied units.

More than one-seventh of the homes had more than one person in each room.

More room crowding occurred in the tenant than in the owner homes. More than one person per room was reported for 18 percent of the tenants and for 10 percent of the owners; and 6 percent of the owners, compared with 1.6 percent of the tenants were reported as having more than two persons per room.

**Black Notes and Blue Harmony**

THREE blue tones are harmonized in the jacket dress modeled by Ann Sheridan, left. The slim skirt and body of the jacket are of the darkest shade, while the sleeves and yoke are of powder blue. The pale blue collar and bow of the blouse are worn outside the collarless jacket. The trim black broadcloth suit worn by Joan Leslie, right, is designed by Orry-Kelly. Its shorter jacket and pencil-skirt are within WPB-restriction bounds, and a narrow band of black, white and gold braid points up the jacket's lines. The pompadour hat is decorated with loops of black velvet ribbon.

**Farm Wood Lots Important To Rural Folk**

The war has brought a greatly increased demand for farm wood-land products. To help farmers in the harvesting of these products, the U. S. Department of Agriculture has issued a bulletin on "Equipment and Methods for Harvesting Farm Woodland Products."

Farm woodlands, stated Forest Supervisor R. F. Henningway of Allegheny National Forest, are important sources of wood for lumber, veneer, fuel, pulpwood, post, railroad ties and piling. All of these items are in demand for the expanding war program. Only a few farmers have had experience or know the best tools and operating methods to produce many of the specialized products which they can now market he said.

The new equipment and methods bulletin tells how to handle these products. It is illustrated, and gives plans for home construction of some equipment that will facilitate the different jobs in getting out various products. It includes a discussion on air-drying of lumber and one on the control of blue-stain and checking in logs. The National Forests are contributing a fair share of lumber and wood products, but the demands of war are ever increasing, so that a ready market exists for all of the products that may be removed from farm woodlots under good forest-management practices.

Cutting on a selective basis is advised as trees should be cropped, not mined, said Mr. Henningway.

The bulletin is described as Farmers' Bulletin No. 1907. Farmers may obtain copies from the office of the Regional Forester, U. S. Forest Service, Philadelphia, Penna.

# SELL YOUR IDLE TIRES TO UNCLE SAM—NOW!

## EFFECTIVE NOV. 22, IT WILL BE ILLEGAL TO USE GASOLINE IN THE OPERATION OF YOUR PASSENGER CAR IF YOU OWN IDLE TIRES

Idle Tires purchased by the Government will be used  
to help keep cars on the road for essential uses

*Leon Henderson*  
PRICE ADMINISTRATOR

*Wm. J. ...*  
RUBBER DIRECTOR

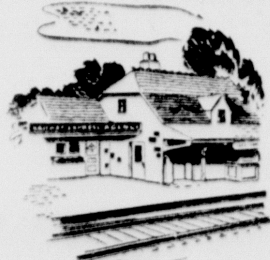

### HERE IS HOW TO SELL YOUR IDLE TIRES TO UNCLE SAM AT CEILING PRICES

Keep your 5 best tires for each passenger car; one for each running wheel of passenger car trailers and similar equipment. All other tires, new or used, regardless of condition, are Idle Tires. Sell all usable Idle Tires (even those needing repairs), to the Government before Nov. 22.

Railway Express Agency has been designated to collect usable Idle Tires (at no cost to you) and deliver them to Government warehouses. In areas where Railway Express has "pick-up" service, call or write nearest Railway Express Agency office and say you have Idle Tires for Uncle Sam. A truck will call.

In rural areas beyond Express "pick-up" zones, take usable Idle Tires and tubes to the Railway Express Agency office, usually at nearest railroad station. The Express agent will give you a receipt. Scrap tires should not be turned over to Railway Express. Sell them directly to scrap dealers.

At Government warehouses, Idle Tires will be appraised at ceiling prices, according to make, size and condition, less cost of repairs, if needed. (Typical prices are shown elsewhere on this page.) A U. S. Treasury check for payment in full will be sent to you by mail. Tell the express agent if you prefer payment in War Savings Bonds or Stamps at current purchase value.

In order to aid the Office of Price Administration, the Reconstruction Finance Corporation and the Rubber Director in informing the public about the Idle Tire Purchase Plan, space for this advertisement is contributed by:

### IDLE TIRES MUST BE PUT TO WORK TO HELP WIN THE WAR

Idle Tires are needed to keep America rolling. Workers must get to their jobs. Farm products must be delivered to market. Essential services must go on. So Uncle Sam has taken steps to buy every idle tire for a national stock pile to keep every possible car in service until synthetic rubber production is able to take over the load.

The purpose of the Idle Tire Purchase Plan is not to take cars off the road, but to help keep cars on the road for essential uses. When you need other tires, the Government will do everything possible to see that you are supplied.

### FACTS ABOUT THE IDLE TIRE PROGRAM

**WHAT IS AN IDLE TIRE?** Under the Idle Tire Purchase Plan, the ownership of passenger car tires will be limited to five tires per passenger car owned and to one tire for each running wheel of each passenger car trailer or other such equipment owned. Any passenger car tire in excess of those limits is an Idle Tire. Beginning November 22, it will be illegal to use gasoline or permit gasoline to be used in the operation of any passenger car if the owner of the car owns one or more Idle Tires. Furthermore, it will be illegal for any person owning a passenger car, to use or permit gasoline to be used in its operation if any person in his or her household who is related by blood, marriage or adoption, owns one or more Idle Tires.

#### EXEMPTIONS—

- (a) Passenger car tires intended for use on trucks, taxicabs, public rental cars, jitneys, buses, cars licensed for hire, etc., are exempt from Idle Tire Purchase Plan regulations. The exemptions do not apply, however, if the owner of such tires also owns a private passenger car and uses gasoline in its operation.
- (b) Passenger car tires intended for use on cars owned or leased by Federal, State, local and foreign governments also are exempt.
- (c) Passenger car tires in the hands of dealers (including car dealers), jobbers or manufacturers, bought or made for sale, are exempt if they have been reported to the Government on official inventory forms.

**DISPOSING OF IDLE TIRES—**Usable Idle Tires and Idle Tires that can be made usable by repairs can be disposed of only to the Government in accordance with the instructions given elsewhere on this page. Any other disposition of such tires is illegal and subject to severe penalties. Idle Tires that are beyond repair should be sold to scrap dealers.

**TRUCK AND BUS TIRES—TUBES—**Compulsion does not apply to bus-type and truck-type tires and tubes, nor to passenger car tubes, but the Government will buy all that are offered.

**PENALTIES—**Severe penalties are provided for the illegal use of gasoline on and after November 22, or for making false statements about tire ownership. If in doubt on any question under the Idle Tire Purchase Plan, full details will be found in OPA Mileage Rationing Regulations.

### READ THESE IMPORTANT INSTRUCTIONS

The Government's Idle Tire Purchase Plan requires that you do two things if you wish to use gasoline to operate your passenger car.

**FIRST.** You must dispose of ALL Idle Tires. If the Idle Tires are usable or can be made usable by repairs, they MUST be sold to the Government. If they are beyond repair, they should be sold to scrap dealers.

—In areas where gasoline is already rationed, Idle Tires must be disposed of before November 22.

—In areas where gasoline rationing becomes effective November 22, Idle Tires must be disposed of before you apply for a gasoline ration book.

**SECOND.** You must file a Government Tire Record Form. (Forms may be obtained at War Price and Rationing Board Offices, Post Offices and Garages.)

—In areas where gasoline is already rationed, Tire Record Forms must be taken or sent to your War Price and Rationing Board by December 12. Earlier is better because this form also contains the Tire Inspection Blank which must be signed by your War Price and Rationing Board and which you must have in your possession after December 12.

—In areas where gasoline rationing becomes effective November 22, Tire Record Forms may also be obtained at school houses when you register for gasoline. The forms must be filled in and presented before you can obtain a gasoline ration book.

**Note:** In both areas it will be illegal on and after November 22 to use or permit gasoline to be used in any passenger car you own if you, or any member of your household related by blood, marriage or adoption, owns one or more Idle Tires.

### EXAMPLES OF PRICES THE GOVERNMENT WILL PAY FOR YOUR IDLE TIRES

#### USED TIRE PRICES

**American Education Week to Be Observed in Local Schools**

Next week Warren borough schools will join the nation in ob-serving American Education Week. This observance is spon-sored by the National Education Association, the American Legion, the National Congress of Parents and Teachers and the U. S. Office of Education.

The goal is to acquaint the pub-lic with the work of the schools and to promote a better under-standing and appreciation of pub-lic education. The general theme for this year's observance is "Ed-ucation for Free Men" to re-em-phasize "the fundamental doc-trines on which our nation was founded."

The program will emphasize the direct part the schools have play-ing in the war program—training of skilled men for industry and using its buildings and teachers in set-ting up the various rationing programs.

caused by bombs dropped from enemy planes. It was stated that people living outside of towns and cities are ready and willing to accept this patriotic obligation.

Fire Chief Douglas Kropf gave an interesting talk on kinds of chemical bombs and other fire pro-ducting agents which are being employed by the Axis and explain-ing proven methods of extinguish-ing them.

**Purchasing Agents Meet At Oil City**

Five local buyers last evening attended the meeting of the Pur-chasing Agents Association of Northwestern Pennsylvania, which was held at the Arlington Hotel, Oil City, Pennsylvania. About thirty members and guests spent a very profitable evening.

The first speaker, C. C. Morris-son, Acting Chief, WPB, Pitts-burgh, Pennsylvania was intro-duced by Lee Forker of Quaker State. Mr. Morrison discussed briefly "Emergency Ratings" which can be obtained through the district offices of WPB, for an actual breakdown or other emergencies, and emphasized that the various district offices are anxious to be of assistance to buyers and in-dustry in general whenever pos-sible.

The second speaker, Eli Jensen, Vice-President of the sixth dis-trict of the National Association of Purchasing Agents was intro-duced by Art Clinger of the Pen-zoil Company. Mr. Jensen spoke of the important part that buyers in war industries play in further-ing our nation's war effort.

The meeting was concluded by general commodity discussions of interest to all those present.

The Army is shortening supply lines by buying soldiers' clothing, equipment and general supplies in United Nations in which they are stationed. Cargo space is saved thereby, for shipment of combat materials.

Barnes

Barnes, Nov. 3.—Funeral services in memory of Mrs. Susanna Stroup Levison, who died last Tuesday morning, were held from the Borden Funeral Home Sunday afternoon. Rev. Ivan Rossell, of the local Methodist church officiated and interment was made in the Barnes cemetery.

Mrs. Levison was born Dec. 9, 1852, and was the last child of Daniel and Levison Young Stroup, pioneers of Barnes. Nieces and nephews attended the services, some of whom were Mr. and Mrs. Charles Brightman, of Bear Lake, and Mr. and Mrs. Harry Silvis, of Corry.

Friends in town have received the following announcements: Mr. and Mrs. Leon Roberts are the parents of a baby daughter, which was born at the Hamet Hospital, Tuesday, October 27, at seven a. m. The little lady weighed about seven pounds and has been named Beverly Louise. Mr. and Mrs. B. S. Cook have been at Erie for the past few weeks and will remain until after Mrs. Roberts is home from the hospital.

A daughter was born to Mr. and Mrs. Robert Crosby, at their home in Austin, October 28th, and this little lass was named Bertha Elaine. Mrs. Crosby will be remembered to her friends here as Miss Kitten Mac Martin.

We are very sorry to report that Mrs. George Irvine, Sr., is still in a very serious condition. Mrs. Frank Irvine, of Warren, is caring for her. Guests at the Irvine home Sunday were Mr. and Mrs. George Irvine, Jr., and Miss Edna Hathaway of Meadville, Mrs. Phyllis Hathaway and Frank Irvine, of Warren.

Mrs. C. H. McNeal entertained the Women's Club at her home Monday evening. Mrs. W. H. Brandt went to Youngsville to help care for her for her sister, Mrs. O. B. Haupt, who broke her ankle.

Stanley Roberts, who is employed at Buffalo, spent the weekend at the home of his parents, Mr. and Mrs. H. S. Roberts.

Mrs. Frances Blair, of Corry, spent a few hours visiting her mother, Mrs. W. G. Hoyer, Friday afternoon.

Mr. and Mrs. J. S. Curtin called at the home of Mr. and Mrs. Floyd Zerby in Kane, Sunday evening.

Robert Curtin, son of Mr. and Mrs. J. C. Curtin, passed examinations at Erie last week for limited service and will leave on Tuesday with the rest of his group for service in Uncle Sam's army. His twin brother, Richard Curtin, expects to leave at the same time for service in the Navy. Ralph Bowley, son of Mrs. Bertha Bowley, expects to accompany Dick Good luck, boys!

Mr. and Mrs. Earl Ehling, of Warren, were guests at the home of her parents, Mr. and Mrs. Rudolph Taylor, Sunday afternoon.

Mrs. C. D. Thompson and Mrs. Wayne Moore and daughter, Miss Betty Moore, of Clarion, visited Mrs. Anna Chandler last week.

Miss Harriet Titus, who teaches in the High School at Bradford, and Miss Nellie Titus, who holds a similar position at Corry, spent the weekend visiting their mother, Mrs. Anna Titus.

Mrs. W. H. Hoyer will entertain the Ladies' Bible Class of the Methodist church at her home this week.

Ernest Schreckengost received word to report for service in the Navy, October and left for Corry Friday, where he spent the night with his sister, Miss Neylon Schreckengost before reporting. Bertram Schreckengost was home from Greenville over the weekend. He, too, has enlisted in the navy and is waiting for his call.

Mr. and Mrs. Bert J. Hoyer moved into their beautiful new home Friday. Dr. Beale, who purchased their former home on Pratt street, is moving into it this week.

Pennsy Helps Supply Steel For The War

Nearly 60,000 tons of steel rail have been made available by the Pennsylvania Railroad in recent months to help swell the supply of steel required in the nation's war effort.

The greater part of this rail was released as a result of the re-laying of main line trackage with new rail, much of it of heavier sections, in view of the greatly increased traffic. Some was recovered from side and yard tracks rendered unnecessary by changes in industrial conditions, and some also from several short branches which were no longer used and abandonment of which had been approved by the Interstate Commerce Commission.

Approximately one-half the tonnage of rail released by the Pennsylvania for war use is still in serviceable condition and has been employed in extending railroad facilities to Army and Navy warehouses, cantonments, ship yards, and other war industries. This has permitted the immediate laying of approximately 200 miles of track for those vital purposes. The rail has been delivered by the railroad direct to the new users in various parts of the country, with the War Production Board sponsoring the projects and making the arrangements for distribution.

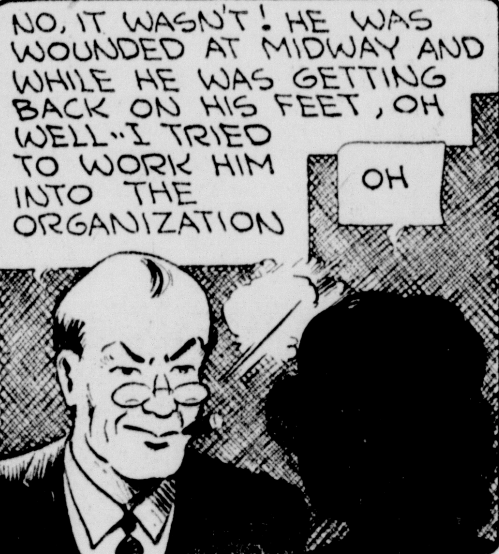

Transfer of this rail to its new locations has relieved the steel mills of the burden of producing an equal quantity of new rail and has materially speeded up essential war work.

The remainder of the rail released was not suitable for re-use in its existing conditions. It has, therefore, been turned over to the steel mills for re-rolling, or for melting as scrap in the production of steel billets for essential industrial uses.

## Georgia, Boston Rated High Among Sugar Bowl Teams

New Orleans, Nov. 6.—(A)—Early talk about Sugar Bowl teams, riding in on the first blasts of winter, centered mostly today around Georgia and Boston college.

The nations' top ranking bulldogs and the eastern leader would be a natural in the New Year's Day classic, the Hot Stove League says, but they are not overlooking such teams as Georgia Tech, Alabama, Texas, Baylor and Tulsa.

Sugar Bowl officials are too busy with ticket sales to give early team speculation a tumble. The advance sale is progressing satisfactorily, they declare, but distant followers are worried with transportation problems. There are enough football fans nearby, however, to assure a full Sugar Bowl for the ninth renewal.

The Boston college Eagles made a big hit here when they played three games in approximately 2 years' time, two with Tulane and one with Tennessee. It was their 19 to 18 upset of highly favored Tennessee in the 1941 Sugar Bowl, some believe, that clinched Leahy's job at Notre Dame. Down last year, Coach Denny Myers now has the Eagles up to fifth place in the national poll, but some tough games are ahead.

Local fans, too, would like to look over Georgia and Frankie Sinkwich who spanked Tulane, 4-0, worst lacing in modern Greenie history.

## PANTHERS WILL MEET OHIO STATE SATURDAY

Pittsburgh, Nov. 6.—(A)—Admittedly fearful of a rebounding Ohio State team—out to show its loss to Wisconsin was a mistake last week—Pitt Coach Charley Bowser led his squad of Panthers to Columbus, O., today for a Saturday afternoon contest.

Last year, Pitt lost 21-14 to the Buckeyes but Bowser regards the Ohioans as one of the country's top-notch teams. He said Right Halfback Jack Stetler has recovered from injuries and would start but that Right End Bill Kyle, injured while Pitt was trimming Carnegie Tech last week, would be replaced by Marty Rosepink.

## DUQUESNE PREPARING FOR ST. MARYS TILT

Pittsburgh, Nov. 6.—(A)—Duquesne University's football team took it comparatively easy today as Coach Buff Donelli endeavored to smooth out rough spots in preparation for tomorrow afternoon's intercollegiate tilt here against St. Mary's of California.

The St. Mary's squad, beaten 6-0 last week by Fordham, put in its final training Hicks at Loretto. Coach Jimmy Phelan said he probably would present a somewhat different lineup than that of last week.

**PODD AND PAAR**

Lewisburg, Pa.—Chet Podd and Johnny Paar's sound-blike music confuse Ricknell followers almost as much as their aerial efforts confound defenses.

## Ray Robinson Gridiron Gremlins

New York, Nov. 6.—(A)—Although Ray Robinson, Harlem's tap-dancing, zoot-suited fighter, is a 5 to 12 favorite to win his 38th consecutive professional bout tonight approximately 10,000 fans are expected for his 10-round scrap with Vic Delicurti in Madison Square Garden.

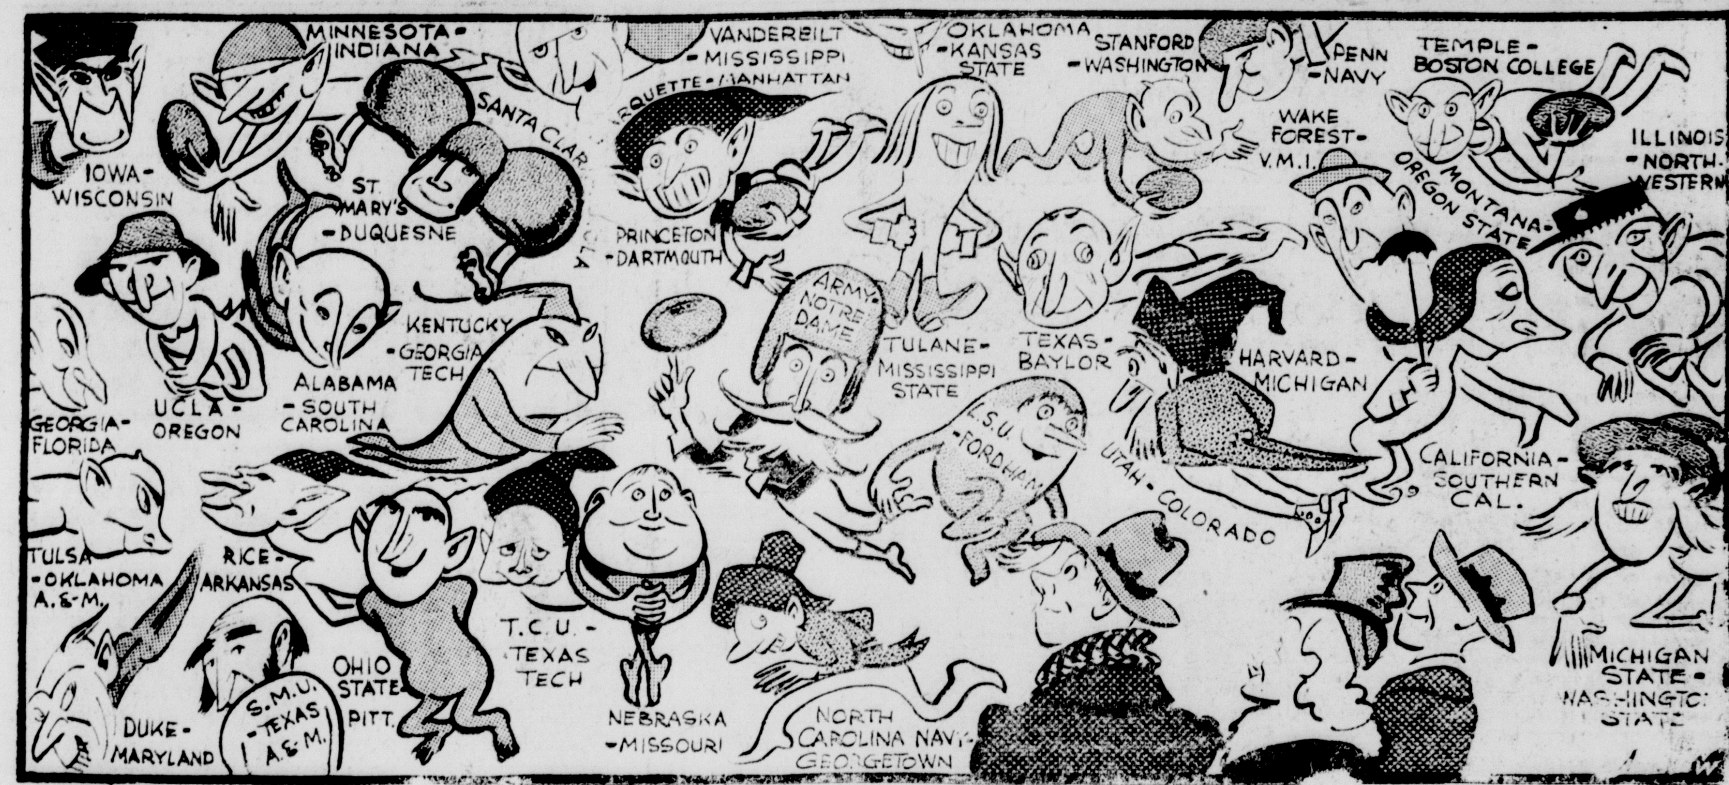

It will be Robinson's second start in the middleweight ranks, having easily polished off Jake Lamotta recently.

The Harlem hammerer will weigh in at about 144 against Delicurti's 155 but expects to offset this with his heavier attack, longer reach and his greater height. Delicurti, stopped only by Steve Belloise, is only a squat 5 foot seven. Robinson towers to 5 feet, 11 1/2 inches.

Despite the general odds against him, Delicurti is regarded by some as having the style which will trouble Robinson.

He is a sturdy, rugged two-titled fighter who prefers to do his slugging at close range with the mid-section as the target. Although others have tried the same style of attack against Sugar Ray, he has gone unbeaten in 125 amateur and 37 pro bouts.

## SWAN TO BE AT RIGHT END AGAINST THE NAVY

Philadelphia, Nov. 6.—(A)—Joe Swan, of two Penn newcomers to break into the solid phalanx of lettermen who have been starting every game, will take the field at right end when Penn meets Navy at Franklin Field tomorrow.

Coach George Munger said Swan will replace Herb Nelson, who received a knee injury in the Princeton game. Nelson, however, is in condition to play, Munger said, and will get in the game.

## Last Night's Bouts

Jersey City—Frank Franconeri, 125, Bayonne, N. J., drew with Gus Levine, 125 1/2, New York (8).

Philadelphia—Al (Bummy) Davis, 149 1/2, New York, knocked out Buck Streater, 146, Collingswood, Pa. (5).

Elizabeth, N. J.—Harry Diduck, 131, New York, outpointed Cannonball Gibson, 123, New York (6).

Fall River, Mass.—Ray Brown, 129, New York, outpointed Angelo Callura, 130, Hamilton, Ont. (10).

## STEELERS PLANNING TO PLAY A BENEFIT GAME

Pittsburgh, Nov. 6.—(A)—The Pittsburgh Steelers of the National Football League will play a benefit game here Sunday, Nov. 15, against the Fort Knox, Ky., gridiron outfit.

Committee members said the Fort Knox team will be paid \$2,000 to cover its expenses, the Steelers will receive no compensation and that profits will go to the U. S. O. variety canteen here. The Pittsburgh Chamber of Commerce is to sponsor operation of the canteen.

## Herb Baker Makes His Weekly Guesses On Football Results

BY HERB BAKER

New York, Nov. 6.—(A)—Taking the weekly aim in the general direction of football winners (and hitting some, perhaps):

Wisconsin-Iowa: Not as easy as some might think. It seems certain that Wisconsin will have lost some of its fine edge after the victory over Ohio State and Iowa boasts a real scoring punch when Tommy Farmer's pitching arm is in shape. Still, Wisconsin.

Notre Dame-Army: Normally this is close every year. It probably will be again. Despite the Penn defeat, Army is a well-rounded outfit and should extend the Irish to the limit. Doubtfully, Notre Dame.

Texas-Baylor: The upset of T. C. U. proved Baylor's class but even so, Texas.

Georgia-Florida: Georgia.

Kentucky-Georgia Tech: Georgia Tech.

Temple-Boston College: If Boston's Eagles aren't the best team in the east, somebody will have to prove it to this corner. Boston College.

U. C. L. A.-Oregon: U. C. L. A. Pitt-Ohio State: This seems to come under the head of unfair competition. Ohio State.

Indiana-Minnesota: Minnesota.

South Carolina-Alabama: Alabama.

NAVY-Penn: Penn is the undisputed powerhouse of the east's Ivy League with a hard-bitten line and a set of great backs led by Bert Stiff. No reason to expect Navy to do more than make it close. Penn.

California-Southern California: On the flip of a coin, Southern California.

Harvard-Michigan: Michigan.

Missouri-Nebraska: This should settle the big six race. Missouri.

Louisiana State-Fordham: Flier on L. S. U.

Mississippi State-Tulane: Out of the hat, Tulane.

Colgate-Columbia: Colgate.

Cornell-Yale: Yale.

Dartmouth-Princeton: Princeton.

Great Lakes-Purdue: Great Lakes.

Georgia Naval-Auburn: Georgia Naval.

Holy Cross - Brown: Timidly, Holy Cross.

Mississippi-Vanderbilt: Mississippi.

Maryland-Duke: Duke.

Michigan State - Washington State: Washington State.

Northwestern-Illinois: Eerie, moanie, Illinois.

Syracuse-Penn State: This revives an old-time jinx. The Orange never plays its game at State College. Nevertheless, Syracuse.

St. Mary's - Duquesne: Taking Duquesne.

Texas A. & M.-Southern Methodist: Having finally found the scoring combination, maybe the Aggies can keep it. Texas A. & M.

Texas Christian-Texas Tech: T. C. U.

Washington-Stanford: Stanford.

North Carolina Naval-Georgetown: Taking the pre-fighters.

Rice-Arkansas: Rice.

## Covering The Sports Front!

By "BOB" JOHNSON

Long under the impression that the black bear is strictly a non-carnivorous animal, quite a few hunters have been severely shocked by the doings of the past week in the Tidouche and Weedville vicinities. Numerous occurrences have led to the fact that either some vicious bear have been running havoc or some few people have caused a needless panic among the farmers in those places.

To start out, a couple of 200 pound pigs were killed and carried off in the first visit of the supposed marauders around DuBois; then having tasted blood came back a few nights later and made off with a couple of piglets. To top it off they returned and took the old shepherd dog which had been left to guard the pens. The farmers have been in an uproar since with the idea that human lives are not above the bear taking. In the Weedville area, a man was attacked by a bear which had previously been fighting with his dog. He walked right into the fray, unknowingly, and was immediately attacked, but the dog stepped in and took over the battle allowing him to high tail it for home.

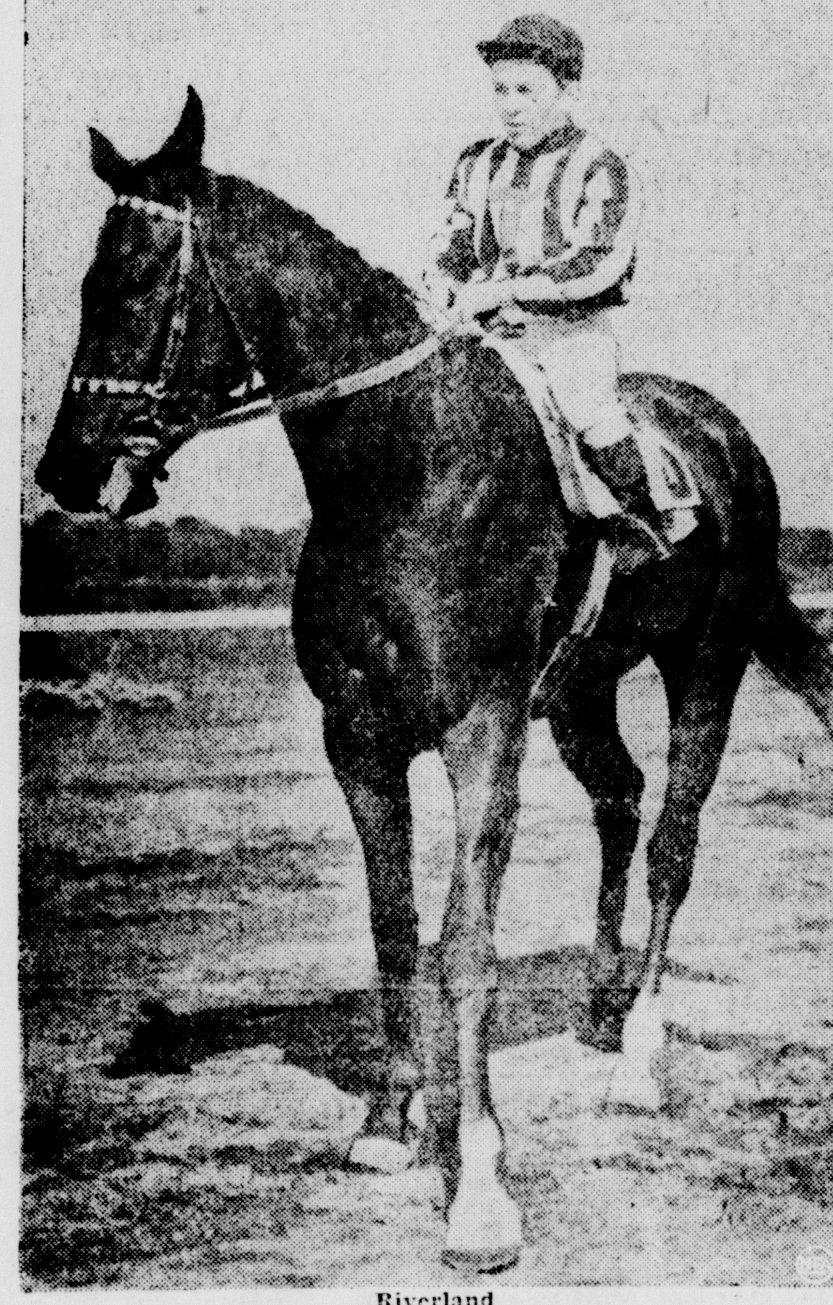

As far as the pigs and shepherd dog no one has reported actually seeing a bear and therefore it could be anything, while in the case of the attack on the Weedville hunter, if anybody walked into a battle between two animals their chances of coming out unscathed would be slim.

On the other hand it is well known that almost any animal once having tasted blood can become a vicious beast and if these culprits, starved into invading the inhabited hamlets, turn out to be bear then we expect them to be taken care of, before some human's life is endangered.

The city league bowling scores have certainly fallen off recently—seems you don't see anything much over 2500—But, the Conewango Clubbers paced by Dr. Robertson have been taking a heavy toll on the maples—Reports have it that squirrels are plentiful this season but still haven't settled down—They're bringing in plenty of rabbits and birds now though after a bad beginning in some parts—If you Hunter's wives ever have trouble with cooking wild game, just look up Ray Fesley's report on "How" in Tuesday's edition of the Dispatch—Where's Willy?

Each bowler will be asked to contribute 25 cents to one dollar or anything he cares to give above his regular bowling fee, giving him an opportunity to help a great organization through his favorite recreation. Every cent goes to U. S. O. with no deductions.

## MURDER on the Campus

Chapter 13  
In Stir

SUSAN followed a guard through a long stone corridor and into the visitors' room at the end. A moment later Duke Malone came out of a door. The guard motioned to him and then stepped aside, indicating that Susan should sit down at one of the benches before the rail. Then the guard sat down about ten feet away.

There was a questioning look on Malone's face.

"Mr. Malone," Susan began, "my name is Susan Drake." Then she held her breath for an instant. He nodded politely. "And this pleasure—" he asked softly.

"I'm a friend of Todd's," she continued. "I'm looking for him. He—well, he's been missing for two days. He hasn't even been to football practice and everyone's wondering if he'll show up for the game tomorrow. There's—there's been some trouble on the campus," she faltered. "I just played a hunch and came down here, figuring he would come to see you."

"Trouble?" he said sharply.

"Yes, Todd was here but he didn't say anything about trouble. He came down here two days ago. Said he just wanted to get away from the campus for awhile without anyone seeing him. What kind of trouble?" he asked quickly.

Susan waved one hand slightly, deprecatingly. "It's nothing—just nothing," she tried to be casual, but she faltered. "Where's Todd now? I've got to see him."

He looked at her hard, studying her face, reading something there that made him suspicious.

"I haven't seen a paper in two days. Is there something I should know?"

**Orders From Duke**

FOR a moment she wasn't going to tell him, then she felt a sag in her spirit. She told him everything, briefly, to the point.

When she had finished his lips were in a straight line, his face set.

"I'm surprised I didn't hear about this through the grapevine," he said, half to himself. "Very surprised, but I think I know why."

"Todd's at the Royal Inn in town. Get him and take him back to school," he said grimly. "Don't take no for an answer."

His eyes gazed steadily into hers. "I like you," he said simply. "Help me take care of Todd, will you? I'm—er, sort of hampered, as it were."

Susan smiled then. "I'll help," she said and she turned to leave he called after her. "Give my regards to Lieutenant Drake."

Susan half froze in her tracks. He knew who she was. Todd must have told him. And Duke Malone still liked her.

Centerville as a town had little more than the state penitentiary and a couple of small factories. Its business section was small and the Royal Inn was the leading hotel.

Susan noted it was five-thirty as she entered the lobby, too early for Todd to be out to dinner.

She went to the desk clerk and asked if Todd were in. Glancing

up he nodded over her shoulder. "He's just coming out of the elevator now."

Susan turned. Todd was walking across the lobby floor. She thanked the clerk hurriedly and started after Todd.

"Todd," she called, when she was within ear-shot.

He turned swiftly, surprise all over his face.

"Susan?"

She took him by the arm, side-tracked him into the lounge.

"We'll dispense with the preliminaries of how, what, and when. You're checking out of here and you're coming back to town with me."

He stared at her. "Just tell me how you knew I was here."

"It's the detective blood in my veins. But never mind—"

"Todd," she said, her eyes intent upon his face. "You shouldn't have run away. That was bad. There's a lot of talk running around. And the police naturally are suspicious. Pete Bailey is feeling pretty bad too. And the game tomorrow—what about that?"

**The Return**

"I'M NOT going back," he said. "Bally. I'm through. I'm going to join the air force."

"The air force is a wonderful future and they could use you these days, but that can wait. Todd! It must wait. You've got to do a bigger job for yourself before you can do any kind of job for your country. Don't make me preach, Todd! It isn't me. It doesn't come out of my mouth naturally."

"I met your father a while ago, Todd," she said. "He's a very swell person."

He started visibly, but she continued before he could speak.

"He told me where to find you. He told me he wanted me to help look after you."

"There's irony in that," he said. "Maybe there is, she agreed, but the idea appeals to me for some reason or other. I think it's sort of—well, call it family retribution, if you will. Anyway, you're coming back."

"What for?" he said glumly.

"For your father and for me. Take your choice."

He got up slowly. "Let's go," he said.

She felt like asking which his choice was, but she knew she didn't have the nerve.

They drove the 20 miles back to the university in almost complete silence. When they were near the city limits Todd spoke.

"Better not take me into town. It's seven-thirty. The team puts up at the Red Oaks country club the night before a game. For quiet and solitude, you know. It's down this next road to the right. Want to take me there?"

"Sure," she said.

Susan swung into a side road. Three miles down they came to the entrance to the country club. She drove up the long winding drive but stopped before she got to the huge clubhouse. "I'm letting you off here," she said. "I don't want anyone to see who brought you back. It's nobody's business. Let me suggest you go see Coach first. Talk to him and nobody else."

He opened the door and got out. He held out his hand. "Thanks," he said. She took his hand and he pulled her gently toward him. "I need a little extra courage," he said. It was her cue. She leaned forward and kissed him lightly on the mouth. He continued.

### RUNAWAY BALLOON IS BELIEVED SIGHTED

Scranton, Nov. 6.—(P)—A balloon believed to be one which got away from Camp Tyson in middle Tennessee yesterday passed in an easterly direction over Lackawanna and Wayne counties early today.

Although the balloon was barely visible, scores of persons reported seeing it.

The eastern defense command at New York said after receiving reports from civilian defense organizations that the balloon probably was the Tennessee runaway, but that definite identification had not yet been made.

Residents of Carbondale 12 miles south of Scranton, saw the craft at 4:45 a. m. (EWT).

**COHAN RITES WILL BE HELD ON SATURDAY**

New York, Nov. 6.—George M. Cohan, one of the great figures of the American theatre, will be buried tomorrow in the family mausoleum in Woodlawn cemetery, the Bronx.

A solemn requiem mass will be offered at 10 a. m. in St. Patrick's cathedral for the composer of some of America's best-known songs including "Over There," "I'm a Yankee Doodle Dandy," and "You're a Grand Old Flag." He died yesterday at the age of 64.

### SAYS ALASKA HIGHWAY CAN NOT BE KEPT OPEN

State College, Nov. 6.—(P)—George L. C. (Shorty) Miller, Pennsylvanian by birth but Alaskan by choice, disagrees with Secretary of War Henry L. Stimson's contention that the new Alaskan highway can be kept open all winter.

Miller, 74-year old gold miner, pointed out during a visit to relatives here that "other Alaskan roads through milder weather regions and less hastily constructed are impassable during the winter."

A native of Middletown, Shorty left for the Alaskan gold fields 10 years ago in time for the Nome and Klondike rushes and liked the territory so well he stayed. His home is in Tanana.

**WILL ROGERS JR., IS ELECTED TO CONGRESS**

Washington, Nov. 6.—(P)—Second Lieut. Will Rogers Jr., faces the choice of asking release from army service or declining the seat in the national house of representatives which he won in Tuesday's election.

President Roosevelt directed four months ago that all members of congress then in the armed forces should be placed as soon as possible on an inactive status.

War Stimson's expressed attitude that present war conditions made it impossible to be both a soldier and national legislator, were believed by officials to apply directly to Rogers.

The offensive drive on Nov. 3 gained the American troops two additional miles of jungle. But a similar attempt to smash enemy concentrations to the east of the airfield on the following day was repulsed.

The Nipponese forces, put ashore on the coast east of the American base five days ago under cover of darkness, were repulsed by additional night landings Nov. 3 and 4, the navy explained.

It was this strengthened force apparently which the Americans attacked on dawn on November 4 and met what the navy termed "an initial repulse."

"Marines are pressing their attack on these enemy troops," added the communique.

On another South Pacific war front west of the Solomon, Japanese invasion forces were continuing to fall back in New Guinea under steady pressure of an Allied drive.

Gen. Douglas MacArthur's Australian command declared today (South Pacific time) that the ill-fated enemy assault which late in September had advanced to within 32 miles of the Allied Port Moresby naval base, had been pushed back well beyond the half-way point at Kokoda, about 60 miles inland.

**To Salvage Bridge Over The Tionesta**

(From Page One)  
the bridge, but removed the United States government from liability for any damage to the bridge growing out of the construction, operation and maintenance of the Tionesta creek dam and reservoir.

The state originally was to have salvaged the bridge last August 31, but was unable to get a crane into the location to do the work. The bridge is part of 12.47 miles of railroad right of way which the state purchased from the Sheffield and Tionesta Railways Company March 26, 1942, for \$87,584.49. The sale granted the railroad company the right to salvage the bridge, but it was unable to do so and later assigned it to the state.

**Three House Seats And One In Senate Are Still In Doubt**

(From Page One)  
official canvass, to be made Nov. 23, when the tally showed Chase A. Clark, the Democratic incumbent, had 71,041 and Republican C. A. Bottolfsen, 71,646.

### TIMES TOPICS

**JURY DISMISSED**  
The jury called for the November term of Civil Court has been notified not to appear next week. Most of the cases on the list have been settled or continued and there will be no jury trials.

**ANOTHER SOLDIER**  
The Times-Mirror was in error Thursday in stating that Thomas Wickstrom, son of Mr. and Mrs. Harold Wickstrom, was enjoying a furlough in Warren. It developed that Wickstrom is now located at Kirkland Field, N. M., and it is not known when he will be able to visit home.

**NEW SYSTEM SET UP**  
Wednesday evening Lieut. Howell and Frank, of the First Fighter Command of Buffalo spent some time in Warren meeting with County Chairman Gibson of the Council of Defense, Commander Forest Waite, of the Control Center and Harold Hampson. While here they conferred relative to a new warning signal for the observation posts in the county.

**CARS IN COLLISION**  
Cars owned by Hobart L. VanBols, 425 Conewango avenue, and Cyril Newman, 124 1/2 West State street, Olean, N. Y., were damaged in a collision at Fourth avenue and Market street yesterday. Newman pulled through a stop sign at the corner and VanBols traveling south on Market struck the Newman machine. Newman assumed all responsibility and the matter was soon adjusted. Both cars suffered some damage.

**TO LEAVE MONDAY**  
Monday a group of 20 young men from Draft Board No. 1 will leave for a reception center and a large group will be at the train to speed them on their way. Testaments, cigarettes and other gifts and a lunch for their use on the train will also be taken with them. Tuesday morning a group of 29 from Draft Board No. 2 will leave and they will also be given a farewell at the station along with gifts etc. The Strathens Wells band will be out as usual to serve up a program of patriotic music while the group awaits the arrival of the train.

**Hitler Rushes New Troops By Plane To Avert Disaster**

(From Page One)  
pursuit of the enemy throughout yesterday.

"Our armored forces are in contact with the enemy rearwards, well west of El Daba. A minimum of 4,000 more prisoners were taken during the day."

This made a total of at least 13,000 German and Italian prisoners rounded up so far in the 14-day-old British offensive as the 8th Army swept through Axis minefields and rolled back the German-Italian invaders along a 40-mile front.

Left to their fate by the fleeing Nazis, the Italians apparently were surrendering in large numbers.

The communique said the commander of the Italian Trento division and his chief of staff were among the prisoners and reported at least 59 more Italian and 20 German tanks were captured yesterday.

Retreating Axis columns were pictured as clogging the Mediterranean coastal road, under a tempo of bombing and machine-gunning attacks by Allied warplanes.

Dispatches reaching Ankara, Turkey, from Greece said Hitler was desperately attempting to bolster Rommel's shattered forces with troops hurriedly shifted from the Russian front via transport planes across the Mediterranean to North Africa.

Informed Japanese quarters in Ankara said Hitler, realizing his armies in Egypt were in peril, had even appealed to Tokyo for help in the form of a Japanese naval attack on Madagascar or South Africa which might force the British to divert strength southward.

Tokyo turned down Hitler's appeal, it was said, explaining that Japan lacked the necessary naval strength because of punishment inflicted by the U. S. fleet in the Pacific in recent months.

Meanwhile, the German radio for the third successive day broadcast reports of a great Allied armada massing at Gibraltar, across the narrow strait from the Tangier international zone and nearby French Morocco.

Intimating that the Allies were planning a smash at Rommel's rear, the German broadcast said a total of 125 British warships were concentrated at Gibraltar and that a new convoy of 14 Allied merchant ships reached the port Wednesday.

Previously, a Vichy (French) broadcast declared that transports carrying large contingents of American troops were anchored in the Gibraltar harbor. These reports all lacked confirmation from United Nations quarters.

**YOUTH MUST DIE IN THE ELECTRIC CHAIR**

White Plains, N. Y., Nov. 6.—(P)—Seventeen-year-old Edward Haig must die in the electric chair for the slaying of two little sisters.

The Stamford, Conn., laborer smiled in Westchester county court yesterday when a jury of six men and six women found him guilty on two first degree murder charges. The verdict carries a mandatory death sentence.

### Detailed Instructions For Making Application

(From Page One)  
Turben, G. A. Ross: Sugar Grove, Sterling Service Station, Sugar Grove Garage; Irvine, Suppa Motor Sales.

Since application for basic mileage ration book "A" or "D" should be made by every person owning a passenger automobile or motorcycle, with taxis, trucks, fleets, etc., not included in this particular registration, printed forms containing detailed information for making application for the gasoline rationing cards will be distributed in the schools of the borough Monday. Each pupil will be requested to carry the pamphlets home, and parents, if car or cycle owners, are advised to read the instructions carefully before going to register.

County Superintendent of Schools H. L. Blair today announced registration centers and school site administrators outside of Warren borough as follows:
